Grand Marais

Leave the city behind—get away to Nature in Abundance!

Pictured Rocks National Lakeshore

begins just west of town and stretches 42 miles along Superior's shore. The

Grand Sable Dunes, Sable Lake, Au Sable Lighthouse, and Sable Falls are all within a short distance of town.

Camping, hiking, fishing, kayaking, bird-

watching, waterfalls... your own personal adventures await!

Camping Woodland Park is our full-service campground right on Lake Superior. Pictured Rocks National Lakeshore to the west and Lake Superior State Forest to the east offer 665 campsites within 20 miles of town.

Fishing Catch whitefish right from our pier, or head to one of the many inland lakes and rivers to try your hand at perch, bass, pike, and trout. Boats for inland fishing can be rented in town.

Fishing charters are also available.

Biking We have the quiet, scenic roads you're looking for! Bikes can be rented in town. Our self-guided historic tour makes a great 2.7 mile ride, with 25 stops around Grand Marais.

Boating Launch your craft at our marina, where you'll also find fuel and dock-age. There are boat launches at many of the inland lakes in the area.

Grand Marais also marks the eastern end of the **Hiawatha Water Trail**, a 120-mile sea kayaking route extending along Lake Superior to Big Bay. Canoes and kayaks can be rented in town.

Hiking and Geocaching Take a short stroll or a long-distance hike and see lighthouses, shipwreck remains, or hunt for one of the many geocaches in the area. Want a longer hike? The **North Country Trail** runs right through Grand Marais.

Family Fun Spend the day at one of our beautiful beaches, go rock hunting, have a picnic, fly a kite over the lake, eat an ice cream cone, take a bike ride — relax and enjoy our friendly, small-town atmosphere.

History is everywhere in Grand Marais! We have four museums, two historic cemeteries, and a self-guided historic tour right in town. The Pickle Barrel House is one of Michigan's most unique buildings and is open to the public.

Skywatching and Birdwatching

The endangered Piping Plover nests on our beaches, and a host of birds from eagles to sandhill cranes frequent our shores. We have some of the darkest night-time skies in the entire country, perfect for skywatching.

Winter Sports Miles of groomed snowmobile, snowshoe, and cross-country ski trails are waiting for you. Snowmobiles can be rented in town.
